AC kits

AC Main kits

- Especially designed per vehicle and easy to install.
- All mentioned air-conditioning kits are of the HFC134a type.
- Short installation time.
- Instruction/service manual available.
- Can be used all year round.
- Installation time mentioned below is for Main and Sub kit together.
- MT: Manual Transmission, AT: Automatic Transmission, CVT / MCVT: Continues Variable Transmission, PS: Power Steering, w/o: without
