NATS

Key-less entry kits

- Applicable to vehicles with NATS II transponder key immobilisation.
- Key-less entry only, for customers who do not require an alarm system.
- For most vehicle models a driver door kit is required.
- Vehicle specific installation kit NOT required for key-less entry kit.
- Fitting times are including mounting of driver door kit.
- CDL = Central Door Lock.

Model	Specification	Country	From	Until	Part Number	A-DC	E-DC	DC	Origin	E-RRP (Euro)	Fitting Time	Other Information
